Madrid: EuropÃ¤ische Konferenz zum Thema Cybermobbing

Description

Madrid: EuropÃ¤ische Konferenz zum Thema Cybermobbing

Wir laden Sie ein, an der europÃ¤ischen Konferenz zum Thema Cybermobbing teilzunehmen.

EuropÃ¤ische Konferenz zum Thema Cybermobbing

Cyberbullying has become a growing concern across the EU. Although there is no consensus on the extent of the phenomenon, the number of children

affected remains huge and for some victims, the consequences of cyberbullying can even lead to self-harm or suicide.
